

ZE

The image displays the letters 'ZE' in a bold, dark navy blue, sans-serif typeface. The letter 'Z' is on the left, and the letter 'E' is on the right. A light beige, geometric shape is superimposed over the right side of the 'E' and the left side of the 'F' (which is partially visible on the far right). This shape consists of a central square with a horizontal bar extending to the right, and a triangular section on the right side of the square. The overall composition is minimalist and modern.
